British See Probable Danger in Proposed French Army

At Parting of Ways

Washington.—The Washington Conference on the subject of the proposed French Army, which was held at Paris, France, on December 29, 1921, has ended with the two main parties, the British and the French, at the parting of the ways.

The British, who were represented by Lord Curzon, and the French, who were represented by General Foch, have both expressed their dissatisfaction with the results of the conference.

Lord Curzon, who was the British representative, has expressed his dissatisfaction with the results of the conference, and has stated that the British are not satisfied with the proposed French Army.

General Foch, who was the French representative, has expressed his dissatisfaction with the results of the conference, and has stated that the French are not satisfied with the proposed French Army.

The British, who were represented by Lord Curzon, and the French, who were represented by General Foch, have both expressed their dissatisfaction with the results of the conference.

Lord Curzon, who was the British representative, has expressed his dissatisfaction with the results of the conference, and has stated that the British are not satisfied with the proposed French Army.

General Foch, who was the French representative, has expressed his dissatisfaction with the results of the conference, and has stated that the French are not satisfied with the proposed French Army.

The British, who were represented by Lord Curzon, and the French, who were represented by General Foch, have both expressed their dissatisfaction with the results of the conference.

General Foch, who was the French representative, has expressed his dissatisfaction with the results of the conference, and has stated that the French are not satisfied with the proposed French Army.

AMERICANS BELIEVE ANY AGREEMENT ON NAVAL CUT SHOULD BE BY TREATY

Washington.—Whatever may be the view in other official quarters at least a part of the American delegation to the naval conference believes that any resulting agreement on naval armaments should be put into the form of a treaty.

From time to time since the negotiations began intimations have come from high officials that the probable outcome of the naval discussions would be merely an international "understanding" not requiring Senate confirmation.
